

Final Project

Object Oriented Programming Java

Name: Tiffany Widjaja

Student ID: 2502059360

Class: L2CC

Project Name: PrimoClicker

Table of Contents

Chp. 1 - Project Specification:

- A. Introduction
- B. Program Overview

Chp. 2 - Solution Design:

- A. Class Diagram
- B. Implementation & How it works

Chp. 3 - Evidence of Working Program:

- A. Screenshots
- B. Link to Video Demo

Chp. 4 - Resources:

- A. Inspiration
- B. Credits to

Chp. 1 – Project Specification

A. Introduction

Getting started was one of the most challenging phases just to come up with fresh new ideas to code and so I decided to keep it simple yet still fun.
